

# 1 New boots for classic wheels

4 SETS TO GIVE AWAY

Dunlop is renowned for supplying authentic tyres for classic and vintage cars and manufactures specific rubber, such as the SP Sport Maxx, for contemporary sports cars (0121 306 6000, [www.driversknow.co.uk](http://www.driversknow.co.uk)). For track day fans there's the Dunlop Motorsport range, as used by the Top Hat and Classic Touring championships. The Classic and Vintage range (available from Vintage Tyre Supplies, call 01590 612261 or see [www.vintagetyres.com](http://www.vintagetyres.com)) offers classic motorists a choice of original tread patterns, with contemporary quality and safety standards. Dunlop is offering four readers a free set of tyres, up to a maximum value of £500 per set. Simply answer the question:

Where was Dunlop's historic base?  
a) Port Dunlop b) John Dunlop c) Fort Dunlop

GOODIES WORTH £3810 UP FOR GRABS!

20 PACKS TO GIVE AWAY

## 3 WIPES CLEAN UP

These Automotive Big Wipes come in re-sealable tubs for quick and easy waterless cleaning of interior, exterior and glass. A pack of three tubs normally costs £9.99 from motor factors and superstores such as Halfords. To find out more see [www.bigwipes.com](http://www.bigwipes.com) or call 01628 894374. To win one of the 20 triple packs we have to give away, simply answer the question below:

Where is it best to clean your car?  
a) In the sun b) In the shade c) In the rain

## 2 JUNIOR RACER

This fabulous limited-edition Renault AK pedal car is modelled on car number 3A, winner of the first Grand Prix at Circuit de la Sarthe in 1906. The 100 junior racers have been created to celebrate the 100th anniversary of the historic win by Ferenc Szisz (see p172) and are suitable for children from 3-5 years old. The car measures 45 x 16in and you can buy one from any Renault dealer for £170, needing slight assembly. We've got a ready-built example to give away, but you'll have to arrange collection from C&SC if you win.

Where was the Circuit de la Sarthe?  
a) Dieppe b) Paris c) Le Mans

## 4 THIEF STOPPER

The NoBells Protector GSM garage alarm is easy to install and its infrared motion detector is linked to a mobile phone transmitter and pay-as-you-go SIM card. If your garage is entered without authorisation, the unit will send you a text message to warn of the break-in. It costs £299 from Albert Systems (01253 724016 or [www.nobells.co.uk](http://www.nobells.co.uk)) or win one of the three we have on offer.

3 UNITS TO GIVE AWAY

What is the standard size of a UK garage?  
a) 16 x 8ft b) 23 x 2ft c) 60 x 19ft

## 5 GO 'N' SHOW

Classic cars and military vehicles plus an astonishing air display will be the highlights of the RNAS Yeovilton Air Day on 8 July. Book your tickets by calling 0870 800 4747 or see [www.yeoviltonairday.co.uk](http://www.yeoviltonairday.co.uk). Adult entry is £20, children £5; you could win one of 10 pairs of adult tickets if you answer the question below before 22 June.

10 SETS TO GIVE AWAY

Which famous 1930s race track is also known for its aviation history?  
a) Silverstone b) Brands Hatch c) Brooklands

## 6 EXTREME CLEAN

Turtle Wax has launched its new Extreme Nano-Tech range, available from motor factors priced at around £5.99 each. The range covers cleaning and polishing for glass, wheels, interior, exterior and plastics. We have three sets to give away, worth around £50 each.

What is a nanoparticle measured in?  
a) Microns b) Thou c) Nanometres

3 SETS TO GIVE AWAY
