“Feel good factor”  
**JOBS A GOOD'UN™**

160mm & 110mm  
 side inlets

No additional  
 seals required

ring seal  
 sockets

We all like to do our bit for the environment but sometimes it can be a bit of extra hassle we could do without. Hunter's drainage chamber bases are made from recycled car battery cases of all things so it keeps your conscience clear, without any extra aggravation for you. It does the job just as you'd expect, but it comes with added feel good factor. Not bad!

Hunter
