

## Big Wipes – Compact sachet packs

15 Oct 2015, 11:34

Big Wipes has harnessed its 4x4 formula in new compact sachet packs of 40 wipes.

Thanks to these conveniently sized sachet packs you can now keep the Big Wipes 4x4 'one wipe and it's gone' cleansing power even closer to hand than ever before! The sachet pack dimensions have been designed and specified to fit perfectly into the tool pouches of most leading brands of workwear, van gloveboxes and toolbags.

However, just because they're compact, it doesn't mean you lose the size, because the Big Wipes in the new sachet packs are as big as their brothers in the popular yellow tubs (20cm x 30cm). The wipes stay just as hydrated as they would in a tub, thanks to the unique, self-adhesive quick seal, which stays sticky from first wipe to last.

Big Wipes 4x4 instantly shift all modern construction sealants, PU foam, adhesives, paints, coatings and grime. They contain no fewer than four powerful cleaning agents and four dermatologically tested skin conditioners (Aloe Vera, Lanolin, Vitamin E and Glycerine) to nourish and protect the skin, making Big Wipes 4x4 cleaning wipes even tougher on grime *and* even kinder to your hands.

Big Wipes 4x4 products also offer a massive >99.9% antibacterial protection and leads the market having been assessed to the latest EU Regulation 1223/2009 for cosmetic products, with zero levels of irritation recorded during controlled testing by dermatologists. Furthermore, Big Wipes are 100% preservative-free.

The Big Wipes 4x4 sachet packs come in two varieties:

**Heavy-Duty** – The blue scrub and clean fabric offers fantastic cleaning and additional 'wetting agents' to ensure the even distribution of liquid across the fabric.

**Textured and dual-sided**, the scrub face of the wipe removes even the most stubborn grime, while the smooth face absorbs any excess.

**Multi-Purpose** – A power fabric in a striking yellow colour, Multi-Purpose wipes are a leading combination of toughness and absorbency. This material is exclusive to Big Wipes and represents an almost perfect industrial grade fabric.
