## BIG WIPES GOES 4X4: THE BEST JUST GOT EVEN BETTER

**BIG** Wipes has launched its all new 4x4 range of industrial strength wipes, containing no fewer than four powerful cleaning agents and four dermatologically tested skin conditioners, making Big Wipes 4x4 cleaning wipes even tougher on grime and even kinder to your hands.

The truth is that everyone in the trade gets their hands dirty and most of the filth simply doesn't come off with soap and water. The unique benefit of Big Wipes 4x4 is their ability to shift all modern construction sealants, adhesives, paints, coatings and grime in an instant. As they are completely portable, they can be kept close to hand to remove this muck before it gets a chance to fully cure.

In order to look after the skin, the formula contains four of the world's greatest skin conditioners:

Aloe Vera, Lanolin, Vitamin E and Glycerine D all helping to nourish and protect the skin. Furthermore, Big Wipes are now 100% preservative free.

Big Wipes 4x4 products also continue to offer a massive >99.9% anti bacterial protection and leads the market having been assessed to the latest EU Regulation 1223/2009 for cosmetic products, with zero levels of irritation recorded during controlled testing by dermatologists.

For more information about Big Wipes visit [www.bigwipes.com](http://www.bigwipes.com) or [www.facebook.com/bigwipes](http://www.facebook.com/bigwipes). You can follow us on Twitter (@bigwipes) or see Big Wipes in action on our YouTube channel ([www.youtube.com/user/bigwipes](http://www.youtube.com/user/bigwipes))

# The ultimate defence against the elements

## X-treme X-posure®

This extreme performance masonry coating gives unrivalled and long lasting protection from weathering, dirt build up and atmospheric pollutant attack.

Its premium anti-carbonation formulation provides excellent obliteration for an outstanding professional finish, and its maximum flexibility not only disguises, but also helps prevent the re-formation of hairline cracks.

Happisburgh Lighthouse, the oldest working light in East Anglia, and the only independently operated working lighthouse in Great Britain is painted and protected with Sandtex® Trade X-treme X-posure® smooth masonry paint.
